

## CONFIDENTIALITY AGREEMENT

- The LABORATORY acknowledges that Law 7/2006, of May 31, on the practice of licensed professions and professional associations, applies to it. Therefore, this is an implicit and legally enforceable requirement for any contract or request for BEA testing services and other related activities.
- This Policy applies to all information obtained or created during the performance of any LABORATORY activity.
- When the LABORATORY considers making part of the above information available to the public (for example, in an article or scientific communication), it shall notify the affected customer of this intention in advance.
- Except for information that the client may publish or that which is the result of an agreement between the LABORATORY and the client, the rest of this information belongs to the owner and is confidential.
- All LABORATORY personnel, as well as all external personnel involved in LABORATORY activities, are subject to the Confidentiality Policy, except as required by law.
- All personnel involved in any phase of the LABORATORY's activities sign the corresponding Confidentiality Agreement (FOR-MG-C4/02), Annex III, which demonstrates their understanding of the scope of the confidentiality required.
- Access to the LABORATORY's records is subject to the confidentiality agreements signed between the LABORATORY and the customer.
